Dear Community, 2022 Classes

Information from parents regarding class placement has now closed. Please note that when creating classes, we place the children very carefully, taking into consideration a range of factors, such as friendships, social skills, behaviour, academic achievement levels, etc.

At this stage we are unable to name up who the teachers are on each of the classes as some of the class teachers are still unknown.

Reports

Teachers have been working extremely hard to write reports, in preparation for the report to be sent home on **Wednesday 8th December**. If you have any questions or concerns regarding the reports, please make an appointment with the class teacher.

SHS Performance

Our Grade 5 and 6 students will be travelling to the high school tomorrow to see their performance – 'School Of Rock'. This is a part of our transition program which enables our students to see some of the opportunities they can engage in at the high school. Please note students will need a cut recess and lunch for the day and wear school uniform.

Presentation Assembly Tickets – RSVP Closed

Due to COVID-19 restrictions and maximum capacity of the school hall venue, we have continued with the same format as last year. Requests for tickets for the Prep– Gr 2, Gr 3-Gr 5, and Grade 6 assemblies has now closed. Seating will be arranged based on the number of tickets already allocated. Please contact the school office if you would like to go on a wait list for any cancellations. For those who have received tickets please ensure you have your ticket with you for entry to the relevant presentation assembly. Kinder families do not need tickets for their end of year performance.
