REMINDERS

*If you need more RATs for your children, please contact the school office

*Masks must be worn indoors by all adult visitors to the site.

Dear Community

Here we are at the end of first term. We were very fortunate to get through the term with Covid not really hitting us until week 7. To help prevent the spread of Covid it is important that any students with cold symptoms stay home and do a RAT test. If parents need more RATs now, contact the office. Parents will need to contact Public Health if they require additional RATs in the holidays.

Next term we will continue to operate the same way as this term, with adults wearing face masks inside, washing of hands and maintaining 1.5 metres physical distancing. Launching into Learning is able to resume on site and we will be reviewing the opportunity to go ahead with gala days for Gr 5/6 students.

A reminder to parents that children need to go home after school and leave the grounds as the teachers are working in the classrooms and not supervising the students. Children playing at school after 3:00 p.m. need an adult to be there with them to supervise their play.

Holidays

Holidays for students begin this Thursday. Term 2 for everyone begins on Monday 2nd May.

We wish everyone a happy Easter, and a safe and enjoyable holiday and we will see you all back next term.

Regards,
Carol Stingel

Prep Picks

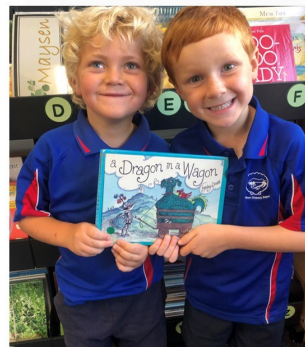

Monty:

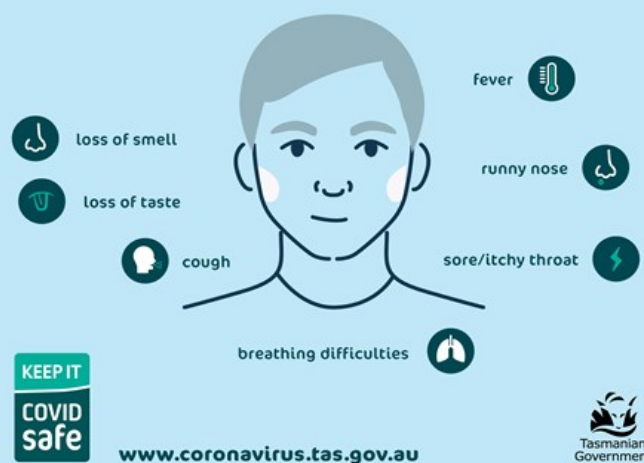

It's a good book because the moose ran away and the yak is on his back. It is so funny.

Ruben:

I like this book because the snake is eating a cake and the dragon is in a big wagon.
