Dear Community,

### Communicating Learning Progress with Families

Thank you to all of the families who took the time to chat either face to face or via the phone with our teachers regarding the progress that your children have made this year and the next level of work they will be undertaking. These are even more critical this year as the mid-year report does not include comments, and these conversations are very important to help parents/guardians understand how their child/ren is progressing and what they need to do to improve. If you would still like to book an appointment with your class teacher, please contact your teacher through Class Dojo or Storypark. We will also be holding these conversation opportunities in term 3 as part of the new reporting policy.

Please note Prep parent/teacher appointments will be held next week Monday 20th, Tuesday 21st and Thursday 23rd June. A letter has been emailed to all Prep parents about how to book. Online bookings must be made by this **Friday 12:00 p.m.**

A reminder that the Grade 1-6 report will come home in week 9, which shows an assessment rating on a 9 point scale for English, Maths and Science, as well as a rating for their approach to learning.

### ENE Cross Country

I extend a huge congratulations to all of our students who ran in the ENE Cross Country Carnival at Winnaleah last Tuesday. In particular we congratulate Elsie, James, Zeke & Catherine who all came first in their respective races. Congratulations to Savannah, Clancy, Catherine, Lillian, Grace, Mac, Zimran, Lotti, Tori, Zeke, Jobe, Luke, Elsie, James C, Beau, Adam and Jade.
